**Applications**
- Petroleum refinery
- Petrochemical industry
- General industry
- Industrial drainage
- Other chemical industries

**Feature**
- High efficiency / Heavy and sturdy construction
- Completely standardized for wide application
- Maximum parts interchangeability
- API standard 610 (API Code: VS7)

**VCMD Model**
- Suction Casing
- Condensate Pumps

**Photo Resources**
- Condensate Pumps
- Service: Condensate Pump
- Capacity: 240 m³/min
- Head: 310 m
- Power: 600 kW
